## Memo

### *“Pay it Forward” Movie Permission*

Dear Parents,

**October 14, 2009**

We would like to watch this movie as a group and afterwards explore the possibilities. I have viewed this movie with my own children, including my youngest son who is significantly younger than our teens and I personally feel that the benefit from the message far outweighs the inappropriate and mature moments that are admittedly found within. If you would like to view the movie before deciding, I would be happy to loan you my copy on DVD.

*Subjects --- US 1991 – present & Nevada  
Social – Emotional learning --- Alcohol and Drug Abuse;  
Moral – Ethical Emphasis --- Responsibility; Caring; Citizenship*

*Age: 13+; Rated MPAA Rating: PG-13 for mature thematic elements including substance abuse/recovery, some sexual situations, language and brief violence; Drama; 2000; 123 minutes; Color.*

*In Pay it Forward, a 7<sup>th</sup> grade teacher gives his students a class project to “think of a way to change our world and put it into action”. Trevor, one of the students, lives with his alcoholic mother. She works as a change girl in a casino and moonlights as a waitress in a seedy Las Vegas bar. Trevor decides to “change our world” by taking three actions that make a difference in the lives of others and to ask each of those people to do the same for three other people.*

Please complete the bottom portion, and return this entire sheet by the next JCYL class.

Sincerely,

Cheri Massey  
Executive Director  
Jennings County United Way
