

Pay it Forward! Babysitting night

Friday the 18th from 5pm to 9pm at the Church of the Nazarene

Have some last minute shopping to do?

Well here is a chance to get it done and not worry about leaving the kids at home for a chance to snoop, or taking them with you. The Jennings County Youth Leadership has put together a **babysitting program for that last minute shopping spree.**

At our November meeting, we all had the chance to watch the movie "Pay it Forward." For some it was the first time they had viewed it. The movie was about an eleven year old boy, Trevor, who was given an assignment by his teacher to try and make the world a better place. Trevor names his project "Pay it Forward." It consists of him doing one good deed to three people. Then, instead of them repaying him back, they "pay it forward" to three more people of their own, and so on. The movie ended with the "pay it forward" idea spreading across the country, and around the world. Trevor gets tons of attention with a video crew, to get his story. However, when Trevor tries to help a classmate who is getting picked on, he is stabbed by the bully and dies. The last scene shows his mother's house with hundreds of people at a vigil, to honor him.

The movie got our group thinking about ways to help our community and "pay it forward" ourselves. We would like to raise money to give to next year's Youth Leadership group so they can find ways to "pay it forward" themselves. The babysitting program is just one idea we have so far to get us started and to help the community. Along with a few more plans to raise money for next year, we also have a few ideas for this year's group to help the less fortunate in North Vernon, and "pay it forward" onto the community.

So if you find you need a last minute Christmas shopping spree, on **Friday the 18th at the Church of the Nazarene, from 5pm to 9pm**, the Jennings County Youth Leadership teens will be sponsoring the babysitting program. We will have pizza and snacks, toys and movies, and many more activities. It is a \$10 minimum donation per child. Please RSVP to (812) 346-5257. Help spread the word and aid us in getting started with giving back to our community.
